# STUDENT MANUAL

Athlete/Ski Racer

This Student Manual is provided to you to assure you have the racing rules and requirements as you compete in the Nevada High School Racing Program.

The Nevada High School Racing Program has restructured in the year 2010-2011. Following is information on the new structure:

- a. **The Nevada State high School Ski Racing Program is now 1 League called the Sierra Nevada League.**
- b. **The Sierra Nevada League consists of the following 13 schools:**

<b>Damonte Ranch</b>	<b>Reno</b>
<b>Galena</b>	<b>ROP</b>
<b>Hug</b>	<b>Sage Ridge</b>
<b>Manogue</b>	<b>Spanish Springs</b>
<b>McQueen</b>	<b>Sparks</b>
<b>North Valleys</b>	<b>Wooster</b>
<b>Reed</b>	
- c. **All 13 schools will compete against each other in each of the 6 league races. Each school may race a maximum of eight (8) boys and eight (8) girls in each of the 6 league races. The top four (4) schools will move on to the Nevada State Ski Racing Championship Races. The determination of these teams will be based on the sum total of their team scores for each of the 6 races. The four (4) schools that have the lowest point totals for the season will qualify.**
- d. **Twenty (20) individual boys and (20) individual girls from non-qualifying teams will also earn the right to compete in the Nevada State Ski Racing Championships. The determination of these individuals will be based on the sum total of their individual scores for the best five (5) of six (6) races.**
- e. **If a racer does not finish a race (DNF) or does not participate in a race (DNS), a point total will be assigned to that racer for that race equal to the maximum points (total number of racers participating in the race).**

- b. Competitors may inspect course by ascent or descent. (Skis must always be kept perpendicular to fall line while in race course area.)
- c. Competitors may slip in the race line of the course only when authorized to do so by a coach at the start or the starting official. Otherwise, inspection must be made from outside race line of skiing in the course.

## **202 RE-RUNS**

---

### **202.1 PREREQUISITES**

- a. A Racer who is hindered while racing by the error of an official, by a spectator, by an animal, or by other causes can apply to any race official for a re-run immediately after the occurrence of the interference.

### **202.2 GROUNDS FOR INTERFERENCE**

- a. Blocking of the course by an official, a spectator, an animal or other hindrance.
- b. Objects in the course such as a lost ski pole or ski of a previous skier.
- c. Activities of the first aid service which hinder the racer.
- d. Absence of a gate knocked down by a previous racer and not properly replaced.
- e. Other similar incidents, which, beyond the will and control of the racer, causes significant loss of speed or lengthening of the racing line and thereby materially affect the racer's time.
- f. Malfunction of the time keeping system.

### **202.3 VALIDITY OF A RE-RUN**

- a. If the competitor was already disqualified before the incident entitling him/her to a re-run the re-run is not valid. The official who observed the incident will immediately call the Chief of Timing. If the jury is not available for an immediate appeal, the racer should proceed to the start, race, and must accept time of second run if approved by the jury.
- b. Subsequent to the race, the jury will vote on validity of request for a rerun. The re-run will be given as soon as the competitor can appear at the start line.

**203.1 PROFANITY**

- a. A racer is automatically disqualified if he/she uses profanity anywhere on the race course, the start area or the finish area.

**203.2 ILLEGAL PRESENCE**

- a. A racer will be disqualified if he/she is in the timing shack, around the timers at the finish line or in the calculations area. This includes conversing with any of these personnel with the intent of getting race times or results.
- b. A racer will be disqualified if he/she interferes with the Start Official and/or Assistant Start Official.

**203.3 COURSE INSPECTION**

- a. Competitors will be disqualified for free skiing in race course area except only when instructed to do so by a coach: race area is defined by ribbons or ropes.
- b. Competitors will be disqualified if skis are not kept perpendicular to the fall line while in race course area.
- c. Competitors will be disqualified if they slip in the race line of the course without authorization to do so by a coach at the start. Otherwise, inspection must be made from outside the skiing line in the course.

**203.4 FREE SKIING OR SHADOWING COURSE**

- a. If a racer skis along the side of the course, shadowing the line, he/she will be disqualified.

**203.5 LOSS OF SKI**

- a. Loss of a ski more than three gates from the finish will cause immediate disqualification.

**203.6 MISSING A GATE**

- a. Failure to go around the single pole with both feet following race line or failure to go between two poles of a gate with both feet constitutes disqualification.

**203.7 SAFETY**

- a. Not complying with all safety regulations will result in disqualification. This includes jumping anywhere on the mountain.
- b. THE CHUTES: Mount Rose's areas known as "THE CHUTES" are closed to all Nevada High School Ski Racers. If any student skies into The Chutes area during a Nevada High School Race or on a practice day, they will be immediately dismissed from the High School Ski Racing Program for the remainder of the ski season.
- c. Nevada High School Ski Racers are not permitted to free ski in the terrain parks on team race or practice days.

**203.13 HEAD PROTECTION**

- a. Racer/Student's failure to follow WASHOE COUNTY SCHOOL District's policy and requirement for while participating as a regular or alternate Ski Team Member to wear crash helmet that conforms to the U. S. Ski and Snowboard Association's competition equipment specifications (ASTM

Standards, CEN Standards and must have F.I.S. Certification) will be disqualified. This requirement includes all time spent while on the ski hill: competition racing, practice racing, clinics and free skiing. Failure to wear the crash helmet will disqualify the student racer from competition and the student racer shall not be allowed to participate in any race, practice, clinics or free skiing. It is the sole responsibility of the Student Racer to select, maintain and inspect the crash helmet for defects and to bring to their Ski Team Head Coach's attention potential problems. The Washoe County School District neither specifies nor recommends any particular helmet design or brand: even though Washoe County School District is supplying a crash helmet to assure 100% compliance to its usage. *Utilization of a helmet other than WCSD issue has to be of equal to or greater than compliance. This compliance must be verified by the N.H.S. Ski Coordinator.* The Washoe County School District undertakes no responsibility or liability in connection with the requirement that crash helmets be utilized. The Washoe County School District neither specifies nor makes any warranties as to the fitness for use of any particular ski helmet nor assumes responsibilities or duties to any student racer by requiring the use of the helmet.
